**Testing Engineers & Consultants, Inc. Top Corporate Fund Raiser for  
Walk on Common Ground**

**Troy, Michigan** – Team TEC was the top corporate fundraiser for the fundraising event entitled Walk on Common Ground held at the beautiful campus of Oakland University (OU) in Rochester, Michigan. Common Ground, a nonprofit agency dedicated to helping youths, adults and families in crisis, is TEC’s Charity of Focus.

TEC staff members were joined by friends and family on the four-mile walk across the rolling hills of the OU campus. Altogether, Team TEC raised \$1,470 for a very worthy cause and exceeded their fund raising goal by almost 50%! TEC became the leading corporate fundraiser thanks to individual donors and a generous corporate match that put us over the top. The first annual Walk on Common Ground has raised a total of \$38,128 to date, and we look forward to an even more successful walk in 2010! For more information about Common Ground, visit [www.commongroundhelps.org](http://www.commongroundhelps.org).

TEC provides client support from property acquisition through construction, renovation, and restoration. Expertise includes environmental and geotechnical engineering and consulting as well as facilities engineering, construction materials testing, indoor air quality and asbestos, lead and mold management services. Founded in 1966, TEC has offices in Troy, Ann Arbor, and Detroit.
