KAYLOR JOINS TESTING ENGINEERS & CONSULTANTS, INC.

Troy, Michigan – Donald Kaylor, PG (IN, TN), CP, has joined TEC's staff as Manager of Environmental Assessment. Mr. Kaylor, formerly of PSI, has over 18 years experience in managing environmental projects along with holding a variety of operational roles including project manager, senior author, and quality assurance officer.

His expertise includes environmental due diligence, contamination assessment, Risk-Based Corrective Action, and UST/leaking UST projects. Kaylor holds a Graduate Diploma in Waste Management/Groundwater Contamination from McGill University, Canada, a Master of Science in Geology from McGill University, and a Bachelor of Science in Geology from McGill University. He is a Licensed Professional Geologist (Indiana) and Registered Professional Geologist (Tennessee) as well as a State of Michigan Certified UST Professional. He is Vice President of the Michigan Association of Environmental Professionals (MAEP).

TEC provides client support from property acquisition through construction, renovation, and restoration. Expertise includes environmental and geotechnical engineering and consulting as well as facilities engineering, construction materials testing, indoor air quality and asbestos, lead and mold management services. Founded in 1966, TEC has offices in Troy, Ann Arbor, and Detroit.
