CRETSINGER JOINS TESTING ENGINEERS & CONSULTANTS, INC.

Ann Arbor, Michigan – Steven K. Cretsinger, an accredited environmental professional with 13 years experience has joined TEC's Industrial Hygiene Services Department as a Senior Environmental Health & Safety Consultant. His expertise in managing environmental projects and excellent client retention reputation will compliment TEC's strategic plan for growth.

Mr. Cretsinger's technical expertise encompasses all aspects of industrial hygiene, environmental assessment, environmental health and safety compliance, hazardous waste and emergency response, governmental regulation interpretation and expert witness. Cretsinger is an accomplished environmental trainer and speaker, as well as client manager. He holds a Bachelor of Arts & Science in Political Science and Environmental Studies from Western Michigan University and is a member of the American Industrial Hygiene Association.

TEC provides client support from property acquisition through construction, renovation and restoration. Expertise includes environmental and geotechnical engineering and consulting as well as facilities engineering, construction materials testing, indoor air quality and asbestos, lead and mold management services. Founded in 1966, TEC has offices in Troy, Ann Arbor and Detroit.
